

Admissions Policy and Procedures

For entry to the Nursery in September 2012

Moriah is a United Synagogue School which teaches Orthodox Jewish belief and practice, embodied in the principles of Torah and Halachah. These include: creating a sense of belonging, encouraging and preparing for lifelong Jewish learning, spiritual growth and practice, mutual responsibility within the Jewish community and the wider world, and the importance of Israel in Jewish life. Jewish belief and practice permeate every aspect of Moriah's activity. All applicants are therefore expected to fully respect the ethos of the School.

There are 26 places in the Nursery.

The School will give priority to those who meet a religious practice test based on guidelines from the Chief Rabbi. Those applicants wishing to be considered as priority applicants for available spaces will need to obtain a Certificate of Religious Practice (CRP) based on criteria such as the family's synagogue attendance, prior commitment to Jewish education and voluntary work within the community.

Oversubscription Criteria

If there are more applications than places available, then places will be offered in the following order:-

- 1 Siblings of pupils attending Moriah Jewish Day School at the time of entry to the Nursery (see note i) provided that they meet the Jewish practice criteria (see CRP) (see note iv).
- 2 Multiple birth children who meet the Jewish practice criteria (see CRP) (see note iv).
- 3 Children and/or their parents/guardians who meet the Jewish practice criteria (see CRP) (see note iv).

In the event that there are more applicants in any category than places available, priority will be given to children living nearest the School (see note ii). Where a child lives with parents with shared responsibility, each for part of a week, the home address will be where the child resides for the majority of the week (see note ii).

Notes:-

- i Siblings are defined as brothers or sisters, half brothers or half sisters, adopted/foster brothers or sisters, and step brothers or step sisters living at the same address. In every case, in order to be given priority, the sibling/s must be children who meet the Jewish practice criteria as explained in the CRP.
- ii Distance is measured from the address point for the home address to the centre point of the School site using the local authority's computerised mapping system based on Ordnance Survey data. In cases where applicants live equidistant from the School and places cannot be offered to both children, the available place will be allocated using a random computer selection.
- iii Parents of children attending Moriah's Nursery class should note the following statutory proviso: Attendance in the Nursery does not guarantee admission to the School. A separate application form must be completed for transfer from Nursery to Primary School. (School Admissions Code 2010 – para 2.66).
- iv There is no right of appeal for applicants who are not offered a place for the Nursery.
